Treasury Department,
F.P.G. Bureau of the Mint,
Washington, D. C. June 11th, 1894.

Eugene Townsend Esq
Supt. Mint U.S.
Philadelphia Pa.

Sir:

Referring to your letter of the 8th instant submitting the appointment of Michael Bradley as an annealer in the Coiner's department I have to say that, inasmuch as the appointment of Jno. G. Merkel, and removal of Bradley were not approved by the Bureau, upon the contrary the removal of Bradley was disapproved by letter of May 3rd, with the approval of the Secretary of the Treasury action upon the letter is unnecessary as Bradley was not properly out of the service.

In this connection I desire to call your attention to your action in placing the name of Merkel upon upon the Coiner's pay roll for May, his appointment not having been approved. According to the records

RG104 E-1 Box 186

of this Bureau he was not in the service and should not have been placed on duty; for these reasons the pay allowed him on your Coiners roll, $81.00, will be disallowed in the adjustment of your Ordinary account for the month of May.

Respectfully yours,

R. E. Preston

Director.

Sir:

Referring to your letter of the 8th instant submitting the appointment of Michal Bradley as an Annealer in the Coiner's department I have to say that, in as much as the appointment of Jno. G. In this connection I desire to call your attention to your action in placing the name of Merkel upon the Coiner's payroll for May, his appointment not having been approved. According to the records of this Bureau he was not in the service and should not have been placed on duty; for these reasons the pay allowed him on your coiner's roll, $81.00, will be disallowed in the adjustment of your Ordinary account for the month of May.
